

You like cutting-edge technologies and to work in a dynamic team on popular applications? Then we have a cool job for you:

Experienced JavaScript/NodeJS Developer (Cloud native)

Who We Are

ambrite is a Swiss, Latvian and South African based company offering software solutions for data mining, predictive analytics and TV Services. Due to its focus on state-of-the-art open source software components and integration of the latest research by the machine learning community, ambrite has become a key partner for both local and global players in Switzerland and Europe in the government, energy and telecommunication industry. For our Stellenbosch-based branch, we are looking for experienced developers that are as passionate about TV consumer services and data science as we are.

ambrite is currently working for the leader in Entertainment Services in Switzerland and Europe in providing software solutions for backend systems and user interfaces for the Pay-TV industry. Together, we're creating a next generation platform which will replace or extend current consumer services on the market. We are looking for you to help us develop this next generation of software.

Specifically, we address the following challenges:

- Development of NodeJS backend microservices which import, normalize and serve data
- Configure cloud microservices and serverless infrastructure
- Write unit-tests to provide sufficient testing coverage

What We Are Looking For

- JavaScript knowledge
- 3+ years experience
- Experience with ES6, NodeJS
- Experience with GCP and/or AWS
- Basic understanding of SQL/NoSQL (*Database modelling a plus*)
- Familiarity with modern software development processes (*DevOps culture*)
- Knowledge of the modern JavaScript trends
- Good English communication skills
- Experience with JIRA/YouTrack and agile methodology

What We Offer

- Become member of a motivated international team in Switzerland, Latvia, South Africa and other locations
- Consumer projects with interesting clients in Europe and North America
- Regular visits and meetings with our teams in Riga and South Africa

If you are interested in joining ambrite, please do not hesitate to mail your application documents via jobs@ambrite.ch. We are looking forward to hearing from you.
